Honoring those who protect our freedoms

The Walton County Supervisor of Elections Office is pleased to provide our voters with the [Vote in Honor of a Vet](#) program. The intent of this program is to encourage voter participation, as well as remind citizens about the sacrifices our veterans have made, so that we may continue to live in a democratic society. By exercising our right to vote, we show veterans the respect they deserve for protecting our democracy. This program allows each of us to honor someone who has or is serving. We encourage Walton County voters to “Vote in Honor of a Vet” the next time you go to the polls.

Did you know?

The Walton County Supervisor of Elections welcomes the opportunity to conduct registration and information drives, as well as conduct elections for the community. It is a primary function of the Supervisor of Elections office to reach out to the community and the voters through the various means available. Upon request, a representative from our office is available for events such as registration drives, public demonstrations, information fairs, elections, speaking events, community forums, and other social events.

We enjoy giving back to the community through participation in various organizations and events. From community social events to charitable causes, we take every opportunity to commit ourselves to our community. Some examples include relay events, remembrance ceremonies, student mentoring, and public speech contests.

If your organization would like our office to visit you or be at your event, please contact us.
